Company Description

Perlick Corporation is a national leader in total package bar and beverage systems manufacturing, including custom refrigeration equipment, custom underbar equipment, beer dispensing equipment and brewery fittings. Their products optimize energy use and increase durability to help customers maximize the profitability of their beverage service operations. Their key markets include commercial, residential and brewery fittings. Perlick Corporation, founded in 1917, has its headquarters in Milwaukee, Wisconsin.

Mission

Perlick Corporation enables our customers to maximize operational profitability by providing complete equipment systems and services of superior value with the shortest lead times in the industry.

Employees

Over 200 employees in Milwaukee.
Steven J. Bergum, Co-CEO
Lawrence M. Molinari, Co-CEO
Fred Luehrs, General Manager, Operations
Paul Krejcarek, CFO

History

Founded in Milwaukee, Wisconsin in 1917 by Robert Perlick and his oldest son, Walter, as a manufacturer of brass items.

Commercial

National market leader of innovative underbar equipment, custom refrigeration equipment, and beer system packages. Products include beer dispensers, bottle coolers, underbar stainless steel cocktail stations and sinks, custom back bars, glass chillers and glass washers that maximize the profitability of all beverage service operations. Customers include restaurants, casinos, hotels/motels, night clubs, stadiums, airports, clubs, convention centers, cruise lines, resorts, breweries and retail establishments worldwide.

Residential

Elegant refrigerated cabinets, designed and crafted with a wealth of exclusive features, will satisfy the most discriminating homeowner.

Breweries

Highest quality sanitary fittings and pressure relief valves.
